

All The Feels are a DJ Live act ranging from two piece lineups to a seven piece full band.

The group consists of a DJ, saxophonist, electric violinist, percussion, beatboxer/rapper and male and female vocalists. We offer a 90-minute non-stop party set with all the latest songs and remixes. In order to warm up the party or even as a stand alone, we also offer more stripped-back, chilled sets.

The lineup options make All The Feels suitable for most events, whether you want a DJ with a roaming sax and bongo player or the full party band for larger events.

All The Feels have played in some amazing venues such as Annabel's Mayfair, 100 Wardour Street, Altitude 360, 8 Northumberland, The Gherkin, Tropicana and Cafe de Paris... to name a few.
